Samson: Join Sight and Sound Theatres Branson for an unforgettable exploration of the story of Samson. The theater expertly combines original music and script with unforgettable acting, special effects, vibrant costuming, and live animals. Journey along with Samson as he follows his life calling and fulfills his path of obeying God. The audience is sure to be wowed and inspired as Samson battles the Philistines, conquers personal demons, and even wrestles a lion along the way. With stunning visuals, this show is brought to life right before your very eyes for an unforgettable time in Branson.

The Texas Tenors: Since their whirlwind debut eight years ago on NBC’s America’s Got Talent, The Texas Tenors have accumulated a long list of awards, accolades and an enthusiastic fan base, including three Emmy Awards for the PBS special You Should Dream. They have performed more than 1000 concerts around the world including a 24-city tour of the United Kingdom and China, and collaborations with some of the most prestigious symphonies in the United States.

Clay Cooper’s Country Christmas: This is one of the must-see Branson shows! Headlined by Branson veteran artist, the incomparable Clay Cooper, this is one variety show that brings the music and fun in spades! And it’s certainly variety; classic and current country, pop favorites, inspiring gospel, and patriotic music sure to make you proud to be an American.

“A Tribute to George Strait” certainly tempts you with dinner, but it’s those songs that keep fans returning time and again. Number one hits from Strait include Check Yes or No, I Just Want to Dance with You, Write this Down, I Saw God Today, Ocean Front Property, Does Fort Worth Ever Cross Your Mind, All My Ex’s Live in Texas, and Love Without End, Amen. Spend a little time listening to some of country’s best songs while enjoying great food, courtesy of “A Tribute to George Strait Dinner Show” in Branson MO!

“Neal McCoy,” once again, graces the Branson stage for a limited engagement! This one-of-a-kind country music artist has been highly recognized in the music industry, both for his recordings and his charitable work. He’s twice been honored by the TNN/Music City News Country Awards as Entertainer of the Year, and his music has garnered him three Platinum and one Gold album. With a heart as big as his home state of Texas, he created the East Texas Angel Network, committed to the enhancement of the lives of children in East Texas with terminal or life-threatening diseases, an effort that earned him the ACM/Home Depot Humanitarian Award.
