Motown became the heartbeat of American pop music. Many of us grew up with it. With multi-platinum artists ranging from the Miracles, Temptations, Four Tops, Diana Ross and the Supremes to Marvin Gaye, Stevie Wonder, and Jackson 5, Gladys Knight and the Pips, and Smokey Robinson just to name a few. The House That Gordy Built had and has no rival. With more than 180 #1 hits worldwide, the influence of Motown is still being felt today from Rhythm and Blues, Soul, Jazz, even Pop to Hip Hop. It's the music that spans generations.

And it all began as one man's story...became everyone's music...and now it's a Broadway musical. **Motown The Musical** is the true American Dream story of Motown founder Berry Gordy's journey from featherweight boxer to the heavyweight music mogul who launched the careers of all those mentioned above and many, many more.

Motown The Musical features more than **50 classic songs** such as, "My Girl", "Ain't No Mountain High Enough", "ABC", "Baby I Need Your Loving", "Do You Love Me", "I Can't Help Myself", along with "I Heard It Through the Grapevine", "Sign, Sealed and Delivered", "Stop In the Name of Love", and countless more that most of us are very familiar with. Experience the story behind the music in the record breaking smash hit **Motown The Musical** that has been nominated for 4 Academy Awards.

Plans are to leave early afternoon, (see itinerary below) eat dinner (Dutch-treat) in Tyler, then head over to Cowan Center. Be prepared for a foot stomping, body moving, head shaking, enthusiastic, high-energy kind of night! Come go with us!
